

# E500BT

Wireless over-ear headphones

## Sound that moves you, when you're on the move.

JBL E500BT wireless over-ear headphones bring the signature sound of JBL right to your ears. The E500BT is one of our most versatile packages ever, featuring up to 20 hours of battery life and an innovative, stylish leather headband that emphasises your fashion quotient. The ergonomic around-ear design means that your entertainment continues and your fun factor gets amped up no matter what you're doing – working, commuting, or just making your way around town. Multi-device connectivity allows you to seamlessly switch between two devices, so you never miss a call. With a sleek appearance you'll never want to be seen without your E500BT headphones.

# E500BT

Wireless over-ear headphones

## Features and Benefits

### JBL Signature Sound

JBL Signature Sound delivered by powerful 50mm drivers in a sleek, stylish design.

### Up to 20-hour battery life

Enjoy an entire day or more of wireless audio without having to plug your headphones back in to charge.

### Two-hour recharge time

A rapid two-hour charging gets you up to 20 hours of audio playback.

### Seamlessly switch between devices

Effortlessly switch from music on your portable device to a call from your phone, so that you never miss a call.

### Comfort-fit leather headband

Comfort-fit and stylish leather headband complements the sleek look of the headphones.

### Sound controls on ear-cup

In wireless mode, ear cup controls offer convenient management of music and calls.

### Tangle free rubber cable

An innovative, tangle free cable design with angled plug means untangling is a thing of the past.

### Improved ergonomic design

Form-fitting, comfortable ear cushions so your headphones stay put while you enjoy your music – even when you're on the go.
