

INSTANTCONNECT USB-C TO USB-C

100W PD ultra-fast charging cable for USB-C device

Plug in, power up and go.

Supporting up to 100W Power Delivery 3.0, the InfinityLab InstantConnect USB-C to USB-C cable (5ft/1.5m) is the ultimate high-speed charging cable for laptops, gaming consoles, phones, and other USB-C devices. Independently tested and USB-IF certified, the ultra-durable design also protects your battery with a stable, reliable current while ensuring a 35,000-bend lifespan for all the twists and turns of everyday use. The cable also supports data transfer and comes with a cable tie to help prevent tangles. It's made from recycled polyester yarn and comes packaged in sustainable, earth-friendly materials.

- ▶ Woven from recycled polyester yarn
- ▶ USB-IF certified
- ▶ Cable tie included
- ▶ 5ft/1.5m cable
- ▶ Eco packaging and materials
- ▶ Durable cable design for everyday use

INSTANTCONNECT USB-C TO USB-C

100W PD ultra-fast charging cable for USB-C device

Supports up to 100W PD 3.0 fast charging

The InfinityLab InstantConnect USB-C to USB-C cable charges laptops, gaming consoles, phones, and other USB-C devices ultra fast. With an integrated E-Marker chip, it supports up to 100W Power Delivery 3.0.

Designed to last, with a 35,000-bend lifespan

Whether you're working hard or playing harder, InfinityLab's ultra-durable USB-C to USB-C cable design ensures a 35,000-bend lifespan to survive all the twists and turns of everyday use.

Woven from recycled polyester yarn

The InstantConnect USB-C to USB-C cable is woven from recycled polyester yarn. This eco-conscious design makes it a smarter solution with less waste.

USB-IF certified

The InstantConnect USB-C to USB-C cable doesn't just support ultra-fast charging and data transfer. It's also tested and verified by the official USB-IF organization to ensure ultimate integrity.

Cable tie included

Keep your cable tangle free with a reusable cable tie.

5ft/1.5m cable

The InstantConnect USB-C to USB-C cable is 5 feet/1.5 meters long, so you can easily and comfortably use your device while it's being charged.

Eco packaging and materials

This is a more earth-friendly cable. With recycled polyester yarn and FSC-certified packaging printed with organic soy ink.

Durable cable design for everyday use

The InstantConnect USB-C to USB-C cable is made from PVC-free materials with a TPE protection layer. Woven with high-strength braided fabric, this cable is thoroughly tested to ensure it's extra tough and protects your battery with a stable current.
