## AKG REALISM. UNLIMITED FREEDOM OF REACH.

Take games, movies and music to the next level of realism with the unrestrained freedom of UHF technology. The new K 912 headphones immerse you in great AKG® sound, the choice of audio professionals for more than 60 years. And they extend your entertainment horizons in any direction – even through walls and ceilings – with a PLL-synthesized tuner and automatic frequency control for optimal reception under any operating conditions.

The K 912s. All of the sound, none of the limitations.
